

**PRODUCT
CATALOGUE**

We feel proud to introduce ourselves as a foremost manufacturer and exporter in orthopedic implants and instruments. We offer a wide & growing range of the highest quality orthopedic implants & instrumentation along with other associated products at reasonable cost.

We have got a sound and firm position in the orthopedic industry by having a sturdy network of distributors domestically & around the globe. We are having the most modern technologies and are one of the leading manufacturers

(since 1992) with pinnacle superiority of Ortho-Implants and instrumentations. We offer a wide range of **Orthopedic Products** made up of **Stainless Steel 316L, Stainless Steel 316LVM and Titanium**. We have employed Quality management System which confirms to ISO 9001 & ISO 13485 standards.

Our all products are CE marked as per European Council Directive. 93/42/EEC and are licensed by Indian FDA for manufacturing. Based on the principles of Quality Excellency, our product satisfies the expectations of our

customers. We are associated with major Medical Institutions of India for supplying the products. We continually participate in almost all major exhibitions of Orthopedics around the world to promote our products.

Our motto is to provide the best quality products and to continue as a leading manufacturer and supplier of these products in the global market. We are growing rapidly in terms of world-wide sales because of our extensive product range, its quality & services by orthopedic surgeons.
